3 Piece Suit: The Foundation of Gentleman's Style

The **3-piece suit** remains the gold standard for formalwear. But a Luca Vercelli 3-piece suit is in a league of its own. Crafted from the finest fabrics like Italian wool, cashmere blends, and linen, each suit is cut with precision and flair. The jacket, waistcoat, and trousers are tailored to contour the body, offering a sleek yet comfortable fit. Whether you prefer a timeless navy blue or a contemporary checkered pattern, Luca Vercelli makes sure your style feels personal, not generic.

Each suit comes with a choice of lapel styles, pocket details, and button finishes, allowing you to customize even the smallest accents. It's not just a suit—it's an extension of your personality.

The Turban: Tradition Woven with Elegance

No traditional South Asian groom's look is complete without the iconic turban. Luca Vercelli creates turbans that reflect both cultural heritage and royal charm. Designed from rich silks, cotton blends, and brocade fabrics, the **turbans** in this collection are handcrafted with care.

From simple, classic wraps to ornate turbans adorned with kalgis, beaded tassels, and stones, each one is a masterpiece. Choose from bold colors like maroon, gold, and ivory to match your sherwani or prince coat. The turban doesn’t just complete the outfit, it crowns it.

Wedding Suit: Designed to Celebrate You

On the biggest day of your life, why wear something off-the-rack? **Luca Vercelli’s custom wedding suits** are a celebration of individuality. These suits go beyond tradition, offering unique cuts, luxurious linings, and the option for monogrammed initials or personal messages embroidered inside the jacket.

Choose from a wide color palette ranging from elegant blacks and grays to bold wine reds and emerald greens. Each suit is designed to make the groom look extraordinary without overpowering the occasion. With Luca Vercelli, the wedding suit becomes a legacy piece, something you'll want to keep forever.

Sherwani: Regal Sophistication

A **sherwani** is more than a wedding outfit, it's a statement of regal sophistication. Luca Vercelli's sherwanis are tailored for men who appreciate tradition but don't want to compromise on fit or comfort.

Using fabrics like velvet, silk, and brocade, each sherwani is adorned with intricate hand embroidery. Techniques like zardozi, Resham, and gota work bring life to the fabric, creating designs that reflect royalty. Pair with a churidar or tailored trousers and accessorize with a matching turban and stole for the full effect.

These sherwanis are perfect not just for grooms but also for family members who want to look their finest on a special day.

The waistcoat might be the most versatile item in men's formalwear, and Luca Vercelli knows how to make it shine. Their collection includes everything from minimalistic single-color designs to embroidered, festive styles ideal for weddings or Eid gatherings.
